Dear Gottlieb:

First I am expecting two umpires here in Newark tonight.

Next I am expecting two for Thursday May 30th. You told me I would hear from you about them. Thursdays game is at 1.30 PM instead of 2 o'clock as on Sundays.

Next are you sending one or two umpires to Trenton Saturday June 1st?

Did Doby get the shows from you? Was the price \$15.00?

Please give the enclosed copy for placards to Mike.

I am enclosing out new lineup and numbers. These numbers are different from the last ones I sent you. I thought you would want them for Friday night.

We had a letter from Patterson this morning. He has not left Houston yet. Seif he was pñaning to drive up, and has had some trouble with the car. I have decided you let us have a problem child. I have just written him a sassy letter, I do not know how hw will take it, and the way the team is looking I am not in a very good mood. I guess he will get here. I hope so.

I just talked to Mc Crary since starting this letter, and he told me, he and Cockrill are working the game tonight.

Very Truly Yours
